Muriel Siebert & Co., LLC & Siebert Advisor NXT, LLC.

Muriel Siebert & Co., LLC. ("MSCO") is a broker-dealer and its affiliate Siebert AdvisorNXT, LLC. ("SiebertNXT") is an investment adviser. Both are registered with the Securities and Exchange Commission (SEC). MSCO is also a member of the Financial Industry Regulatory Authority (FINRA), the New York Stock Exchange (NYSE) and the Securities Investor Protection Corporation (SIPC).

- **Brokerage and investment advisory services and fees differ, and it is important for you to understand these differences.** Free and simple tools are available to research firms and financial professionals at [Investor.gov/CRS](https://investor.gov/CRS), which also provides educational materials about broker-dealers, investment advisers, and investing.

What investment services and advice can you provide me?

We offer both brokerage and investment advisory services.

Our **brokerage services** include buying and selling securities at your direction and providing you with investment recommendations, financial tools and planning services, and investor education from time to time or at your request. We offer mutual funds, exchange traded funds (ETFs), domestic and international equities, options, fixed income securities, certificates of deposit (CDs) and structured notes, unit investment trusts, and variable annuities. Unless we separately agree in writing, we do not monitor your brokerage account and you make the ultimate decision regarding the purchase or sale of investments.

Our **advisory services** include our asset allocation services using mutual funds and exchange traded funds (ETFs) and managed portfolios from in-house and third-party investment managers. ***Depending on which program you select, our asset allocation services are either "non-discretionary" or "discretionary"—meaning that either we will recommend investments to you and you will make the ultimate decision regarding the purchase or sale of investments (non-discretionary), or we will make the ultimate investment decisions without your signoff (discretionary). The third-party managers we make available to you will invest your account on a discretionary basis using mutual funds, ETFs, and other securities.*** All of our advisory services are offered through "wrap fee programs" (as described below) and either we or the third-party manager will monitor your advisory account and investments as standard services. At AdvisorNXT this service will be provided on a weekly basis. You must meet certain investment minimums to open an advisory account. Current account minimums may be accessed through your investment professional, or at www.siebert.com.

For Additional information regarding our broker dealer services please visit our website at www.siebert.com. For our advisory services visit www.siebert.com and refer to our latest [Brochure Form ADV Part 2-A, Items 4, 5 & 7](#).

Our affiliate Park-Wilshire Insurance offers a variety of insurance products, including fixed and immediate annuities and life insurance.

Conversation Starters. Ask your financial professional—

- ***Given my financial situation, should I choose an investment advisory service? Should I choose a brokerage service? Should I choose both types of services? Why or why not?***
- ***How will you choose investments to recommend to me?***
- ***What is your relevant experience, including your licenses, education and other qualifications? What do these qualifications mean?***

What fees will I pay?

The fees you pay depend on whether you choose brokerage services, advisory services, or both.

For **brokerage services**, the principal fees and costs are transaction-based fees for recommendations and execution of securities trades. Depending on the investment product you select, these fees can include up-front commissions, as well as fees that are charged on an on-going basis for as long as you hold the investment ("trails"). If we buy a security from you or sell a security to you for our own account (as "principal"), we may mark the price up or down, which is a benefit to us. Because we are compensated for transactions, *we have an incentive to encourage you to trade more frequently and in greater amounts, and to trade with us as principal because we receive more revenue when you do so.*

You will also pay fees for custodial or administrative services, as well as fees and expenses that are included in the expense ratios of certain of your investments, including in mutual funds, ETFs, and variable annuities. **For additional information about the fees and costs for our brokerage services**, please visit www.siebert.com.

For **advisory services**, the principal fees and costs are the "wrap" program fee for the program you select. These fees are "asset-based" meaning that the fee is calculated as a percentage of the assets invested in your advisory account according to the fee schedule in your advisory agreement with us. This means that the more assets you invest in your account, the more you will pay in fees, and therefore *we have an incentive to encourage you to increase your advisory account assets.* **For additional information about the fees and costs for our advisory services please refer to our Siebert AdvisorNXT, LLC., brochure Form Part 2-A, Item 4.**

The annual wrap advisory fee includes all brokerage commissions, transaction fees, and other related costs and expenses except those inherent in a particular investment vehicle. The annual investment advisory fee is prorated and charged quarterly, in advance, based upon the market value of the assets under management as of the last day of the previous quarter. AdvisorNXT may change the fee at any time by giving 30 days' prior written notice.

Investment Advisory Fees for the initial period or the first quarter of service are calculated on a pro rata basis from the inception date of the account to the end of the first quarter. If assets are deposited into or withdrawn from an account after the inception of a quarter, the fee payable with respect to such assets may be adjusted on a pro rata basis for deposits and/or withdrawals occurring within such quarter and will be calculated in accordance with the advisory agreement based on the days remaining in the quarter.

In the **AdvisorNXT Robo Management program**, you may also pay miscellaneous fees that your account's custodian may charge, including wire fees, transfer fees, and other fees. **For additional information**, please see [Siebert AdvisorNXT, LLC. Brochure Form Part 2-A Item 4](#).

You will pay fees and costs whether you make or lose money on your investments. Fees and costs will reduce any amount of money you make on your investments over time. Please make sure you understand what fees and costs you are paying.

Conversation Starters. Ask your financial professional—

- ***Help me understand how these fees and costs might affect my investments. If I give you \$10,000 to invest, how much will go to fees and costs, and how much will be invested for me?***
- ***What are your legal obligations to me when providing recommendations as my broker-dealer or when acting as my investment adviser? How else does your firm make money and what conflicts of interest do you have?***

When we provide you with a recommendation as your broker-dealer or act as your investment adviser, we must act in your best interest and not put our interest ahead of yours. **At the same time, the way we make money creates some conflicts with your interests.** You should understand and ask us about these conflicts because they can affect the recommendations and investment advice we provide you. Here are some examples to help you understand what this means:

Examples of Ways We Make Money and Conflicts of Interest.

- **Proprietary Products:** We will earn higher fees, compensation, and other benefits when you invest in a product that we (or one of our affiliates) advise, manage, or sponsor, such as a mutual fund or structured CD. As such, we have an incentive to recommend (or to invest your assets in) those products over third-party products.
- **Third-Party Payments:** We receive payments from third party product sponsors and managers (or their affiliates) when we recommend or sell certain products. As such, we have an incentive to recommend (or to invest your assets in) products of third parties that pay us over products of third parties that do not pay us or pay us less.
- **Revenue Sharing:** Certain managers and sponsors (or their affiliates) share the revenue they earn when you invest in certain of their investment products (primarily mutual funds, unit investment trusts, cash sweep vehicles and variable annuities) with us. As such, we have an incentive to recommend (or to invest your assets in) products of sponsors and managers that share their revenue with us, over other products of sponsors or managers that do not share their revenue, or who share less.
- **Principal Trading:** We may buy or sell securities to you for our own account because we earn compensation (such as commission equivalents, mark-ups, mark-downs, and spreads).

For additional information, please refer to our [Siebert AdvisorNXT, LLC. Brochure Form ADV Part 2-A](#), Section 4 and 7.

Conversation Starter. Ask your financial professional—

- **How might your conflicts of interest affect me, and how will you address them?**
- **How do your financial professionals make money?**

The firm's financial professionals are principally compensated based on a percentage of the revenues that are produced by the clients they service.

In Advisory Accounts Siebert financial professionals are compensated based on the amount of client assets they service. The fee revenue generated is split between the firm and the financial professional based on a negotiated payout percentage.

In Brokerage Accounts the Firm's financial professionals are compensated based on sales commissions, as well as fees that are charged on an on-going basis for as long as you hold the investment. Also, Siebert financial professionals may buy a security from you or sell a security to you for our own account (as "principal"), and the price to you may be marked up or down. Finally, Siebert may be compensated by issuers of some financial instruments for selling their products. The revenue generated from all these activities is split between the firm and the financial professional based on a negotiated percentage.

- **Do you or your financial professionals have legal or disciplinary history?**

Yes. Visit [Investor.gov/CRS](https://investor.gov/CRS) or www.brokercheck.finra.org for a free and simple search tool to research us and our financial professionals. The Firm also provides a biography of your Investment Advisor Representative when opening an Advisory account. This document includes any legal and disciplinary history.

Conversation Starter. Ask your financial professional—

- ***As a financial professional, do you have any disciplinary history? For what type of conduct?***

Conversation Starter. Ask your financial professional—

- ***Who is my primary contact person? Is he or she a representative of an investment adviser or a broker-dealer? Who can I talk to if I have concerns about how this person is treating me?***

For assisted accounts, a dedicated financial representative or investment advisor representative will be assigned to you. Should your dedicated representative no longer be available or should you request another representative, another qualified professional will be assigned.

For brokerage services that are self-directed, no financial services representative will be assigned to you. Our support services will include customer service and broker assisted representatives should you have questions regarding your account.

For both assisted and self-directed accounts, you will always have access to Principals of the firm should you have concerns about your assigned professional or any other matter. Please contact us at 800-872-0444 for any needs you may have concerning Muriel Siebert, Siebert AdvisorNXT or your account.

Consult With Your Attorney

Carefully read the enclosed information. If you are starting your own plan or are seriously considering doing so, please consult with your attorney and tax advisor.

What is Required of an Employer to Establish a Plan?

When you decide to start your profit sharing plan ("plan"), complete the:

- Equity Trust Company Trust Agreement for Self Directed Accounts (Attachment A of the Basic Defined Contribution Plan)
- Service Agreement for Money Purchase Pension and Profit Sharing Plans
- Adoption Agreement
- Qualified Plan Participant Information Form
- Beneficiary Designation Form (needed for each plan participant)

Print a copy of the Basic Defined Contribution Plan Document to retain for your records. A copy of the plan document is located on our website (www.EquityInstitutional.com)

Forward these documents, with the exception of the Basic Defined Contribution Plan, to Equity Trust Company for approval. When Equity Trust has received these documents, along with your acceptance fee check payable to Equity Trust Company, they will be reviewed for compliance with existing underwriting guidelines. If accepted, Equity Trust Company will execute the Service Agreement and Trust Agreement and return a copy to you for your records. Also, see the Employer's Administrative Guide.

Paying by check authorizes Equity Trust Company to send the information from your check electronically to your bank for payment. You will not receive your original check back from your financial institution. For security reasons we will destroy your original check, but we will keep an electronic image of the check for recordkeeping purposes.

Employers Administrative Guide**Initial Requirements****Plan Qualification**

This prototype plan has received a favorable opinion letter issued by the National Office of Internal Revenue Service as being qualified under Section 401(a) of the Internal Revenue Code (Equity Trust Company's opinion letter). This means that employers and employees who are covered by this plan receive favorable tax treatment for their contributions to the plan. To maintain the tax qualification, an employer must follow all terms of the plan document.

An employer who adopts this prototype plan and maintains or has ever maintained another plan cannot rely solely on Equity Trust Company's opinion letter but must apply with Internal Revenue Service (IRS) for a separate determination to ensure continued qualification of the plan by the IRS.

Employers who are restating their current profit sharing plan or money purchase plan to this prototype plan may not necessarily have to seek a favorable determination letter. Please consult with, and follow the advice of, your legal and/or tax advisor on whether you need to seek a favorable determination letter for your plan.

To apply for a determination letter, complete and file IRS Form 5307 and any required attachments.

An applicant for a determination letter must provide notice to all interested parties, in accordance with IRS Regulations. Send this notice to each employee who qualifies as an interested party or post it in a conspicuous place accessible to all employees no later than 10 days and no earlier than 24 days before the date of the determination letter application.

Employee Announcement

Notify employees of the establishment of the plan upon adoption.

Summary Plan Description (SPD)

An employer that employs individuals other than a spouse or partners must provide a Summary Plan Description to participants within 120 days after adoption of the plan.

Bonding

In accordance with Title 1, part 4 of the Employee Retirement Income Security Act of 1974 (ERISA), every administrator, officer, and employee of any plan who handles funds or other property of such plan must be bonded. Since the employer or plan administrator handles funds of the plan, they must be bonded. The bond protects the plan against loss by reason of acts of fraud or dishonesty on the part of the administrator, officer, or employee directly or through connivance with others. This bond must be in a form or a type approved by the Department of Labor (DOL). Each plan official must be bonded in an amount equal to at least 10 percent of plan assets handled in the prior year. The maximum bond amount required by the DOL is \$500,000 (\$1,000,000 for plans that hold employer securities). The bond shall not be less than \$1,000. Additional coverage may be necessary for certain plans covering fewer than 100 participants to be exempt from the audit requirement for plan years beginning after April 17, 2001. Consult with your attorney in order to avoid a penalty.

Note: The annual Department of Labor Form 5500 filing requests the name of the insurer of this bond and the amount covered. A plan covering only an owner-employer and a spouse or partners is exempt from this bonding requirement.

Annual Requirements**Internal Revenue Service (IRS) Form 5500 or 5500-EZ**

The employer is responsible for filing a Form 5500 series Annual Report to the Department of Labor (DOL) each year. A plan covering only an owner-employer and spouse or partners and their spouses and having no more than \$250,000 in plan assets as of the end of the plan year may be exempt from the 5500 Annual Reporting for that year. Consult with your attorney or tax advisor to determine whether your plan meets this exemption.

File with the DOL within 210 days after Plan Year end. The IRS may assess a late filing fee of \$25 per day up to a maximum of \$15,000. The DOL may assess penalties of up to \$1,100 per day. The DOL penalty would not apply to plans that qualify for Form 5500-EZ. The requirement to file a Form 5500 series continues until a plan has completely distributed all plan assets.

Department of Labor Summary Annual Report (SAR)

Distribute to participants by the later of nine months after the close of the plan year or two months after an extension to file the Form 5500 report has expired.

Periodic Requirements**Summary Plan Description (SPD)**

Distribute to new participants within 90 days of a participant's date of entry or a beneficiary first begins to receive benefits. The SPD must be updated every 5th plan year, if there were plan amendments; otherwise every 10th plan year.

Summary of Material Modifications (SMM)

Distribute the SMM when plan amendments have been adopted that materially affect the information in the SPD. Distribute to all participants and beneficiaries receiving benefits within 210 days after the close of the plan year in which the material modification was adopted. Not required if SPD is distributed by this deadline.

Establishing Employee Accounts

By law, employees must be notified about their eligibility to participate in this plan. Individual accounts for each participant should be opened with the investment firm designated on the Qualified Plan Participant Information Form. The investment firm must have a service agreement with Equity Trust Company.

The accounts should be titled as follows:

EQUITY TRUST COMPANY, TTEE

(Name of Employer) Profit Sharing Plan

FBO: Name of Employee

P.O. Box 8963 / Wilmington, DE 19899-8963

A monthly investment firm statement must be sent to Equity Trust Company, the employer and/or, if applicable, each participant. Equity Trust Company's Tax ID Number must appear on the investment account, not the employer's or the participant's social security number. Our Tax ID Number is 05-0552743.

Funding Your Plan

Contributions

If you decide to make a discretionary Profit Sharing contribution to your Plan, you must adopt a resolution by the earlier of your fiscal year end or the plan year end to specify the amount of contributions to be made to the Plan for that year.

Total contributions cannot exceed the lesser of 100% of Participant Compensation ("earned income" if self-employed) or \$53,000, for 2015, per Participant (not including special catch-up contributions available to individuals age 50 or older).

Contributions and Investments

Checks must be made payable to Equity Trust Company but may be delivered to the investment firm for deposit to the plan. You must provide investment directions directly to the investment firm. Investment confirmations will be sent to the employer and/or participant(s) and the trustee by the investment firm. When plan contributions are made, allocations to each eligible participant's self-directed account are required.

It is the responsibility of the employer and/or participant to direct the investment of their contributions. Equity Trust Company does not provide investment advice or endorse any investment vehicle that the employer, participant, or investment firm select. Equity Trust Company is not responsible for the performance of Plan investments, nor does Equity Trust Company supervise or control the activities of the investment advisor chosen by the employer and/or participants.

Transferring an Existing Account

The Transfer-In Authorization Form must be completed and forwarded to Equity Trust Company for processing. You may contact your brokerage firm for a copy or download one from our website (www.EquityInstitutional.com). Please make sure that you list all assets and attach the most current statement supporting those assets.

The following Trust is established to be used in connection with Equity Trust Company Defined Contribution Plan adopted by the Employer. Unless the context of this Trust Agreement clearly indicates otherwise, the terms defined in Article I of the Plan entered into by the Employer, of which this Trust Agreement forms a part shall, when used herein, have the same meaning as in the Plan.

Section 1 – Appointment of Trustee and Trust Fund

1.1 Trust

The Employer hereby appoints the individual(s) employed by the Employer, a Bank or Trust company listed in Section 8 of this Trust Agreement as Trustee(s) for the Plan (hereafter, "Trustee") and accepted by the Trustee in writing. The Employer hereby establishes with the Trustee a trust Account or Accounts on behalf of the Plan consisting of such sums of money and such other property acceptable to the Trustee as shall from time to time be contributed, paid or delivered to the Trustee pursuant to this Trust Agreement at the address specified by the Trustee. All such money and property, all investments and reinvestments made therewith and proceeds thereof, less any payments or distributions made by the Trustee pursuant to the terms of this Trust Agreement, are referred to herein as the "Trust". The Trust shall be held by the Trustee in accordance with the express provisions of this Trust Agreement and the requirements of law.

1.2 Delegation of Authority

The Trustee may delegate to a custodian or other agent the custodianship of all or part of the assets of the Trust. The Trustee may arrange for the delegation by the Trustee to the Employer or any agent of the Employer, hereafter "Agent", of any powers or functions of the Trustee hereunder other than the custody of the Trust assets. The Trustee shall not be responsible for any act or omission of such person or persons arising from any such delegation, except to the extent provided in Section 4.8.

1.3 Limitations of Trustee's Duties

- a) With respect to its duties hereunder, the Trustee is a non-discretionary trustee and shall have no duty to: (i) determine or enforce payment of any contribution due under the Plan; (ii) inquire into the accuracy of or monitor the timing of any contribution to the Trust; (iii) determine the adequacy of the funding policy adopted by the Employer to meet its obligations under the Plan; (iv) look into the propriety of any investment or distribution made under the Plan; (v) locate missing Participants; (vi) determine the reasonableness of any fees to be paid from the Trust; (vii) in the event of the Employer's bankruptcy or insolvency, take any action until directed to do so by the bankruptcy trustee or a court that has jurisdiction over Plan assets, and (viii) ensure the qualification of the Plan under the Code. The Trustee shall not be deemed to be the Plan Administrator, the Plan Sponsor or a Named Fiduciary of the Plan as defined in sections 3(16)(A), 3(16)(B) and 402(a)(2), respectively, of ERISA.
- b) Any direction, instruction, or notice to the Trustee by a Participant, the Employer, the Plan Administrator, the Investment Manager, the Named Fiduciary, the Insurer, or other person pursuant to any of the provisions of this Plan and trust shall be in writing and delivered by regular mail, and shall be effective only upon actual receipt. Any direction, instruction, or notice from the Trustee to the Employer, a Participant, Plan Administrator, Named Fiduciary, Investment Manager, the Insurer, or other person pursuant to any of the provisions of the Plan and this Trust shall be considered effective when the Trustee mails it to the last address of the intended recipient which is contained in the Trustee's records. The Employer and the Trustee may agree in writing that any such direction, instruction, or notice may be given by alternative methods, including facsimile transmission, telephone, or electronic transmission to any e-mail address, fax, or telephone number and shall, with regard to such alternate means of giving any such direction, instruction, or notice, provide for the use of identifying numbers or procedures that must be followed with regard to the giving of any such direction, instruction, or notice. The Employer shall inform the Plan Administrator, Named Fiduciary, Participants, and any Investment Manager of such agreed upon alternative methods. The Trustee shall not be under any duty or obligation to act on any notice, instruction, or direction received in a form other than those agreed upon between the Employer, Plan Administrator or Named Fiduciary and the Trustee. The Trustee may absolutely rely upon any and all such directions, instructions, or notices reasonably believed by it to be genuine and shall be fully protected in acting in accordance therewith. The Employer agrees to indemnify and hold the Trustee harmless against any loss, cost, claim damage, expense, and liability (including reasonable attorney's fees) and other costs it may incur in acting upon such notice, instructions, or directions. Except for the Trustee's own gross negligence, the Trustee shall incur no liability for any act or failure to act pursuant to this Trust Agreement, unless a higher standard of care is imposed by ERISA.
- c) The Trustee is not liable for the acts or omissions of any Named Fiduciary, Investment Manager, the Employer, the Plan Administrator, or the Insurer, nor is the Trustee under any obligation to invest or otherwise manage any asset of the Plan which is subject to the management of a properly appointed Investment Manager. A Named Fiduciary and any properly appointed Investment Manager may execute a letter of agreement as a part of this Plan delineating the duties, responsibilities, fee structure, and liabilities of the Investment Manager with respect to any part of the Trust Fund under the control of the Investment Manager.
- d) The Trustee may assume that the Employer, the Named Fiduciary, the Plan Administrator, the Insurer, and the Investment Manager are appropriately discharging their duties under the Plan and this Trust Agreement unless and until it is notified to the contrary in writing by any person known to the Trustee to be a Participant in the Plan, the Employer, or a governmental agency with jurisdiction. In the event the Trustee receives said written notice, then the Trustee shall take any actions it deems appropriate, including, if the Trustee so desires, applying to a court of competent jurisdiction and/or Federal regulatory authorities for guidance with respect to disposition of the Trust Fund.

- e) The Trustee shall have no responsibility for the management and control of the Trust Fund beyond implementation of instructions, notice, or directions received by the Trustee in accordance with this Trust Agreement, it being contemplated that all Plan assets will be under the control or direction of the Insurer or a properly appointed Investment Manager, or subject to Participant, Employer, Plan Administrator, or Named Fiduciary direction. The Trustee shall not be responsible for reviewing reports provided by the Insurer or any Investment Manager. The Trustee will be under no duty of inquiry or review with regard to any direction, instruction, or notice that it may receive in accordance with this Trust Agreement except as set forth in Section 4.1.
- f) The duties and responsibilities of the Trustee shall be limited to those set forth in this Trust Agreement and nothing contained in this Trust Agreement shall be deemed, either expressly or by implication, to impose any additional duties, powers, or responsibilities on the Trustee.

1.4 – Section 404(c) Compliance

The Trustee shall have no duty or responsibility to review any aspect of the Plan or its administration relating to compliance with ERISA Section 404(c).

Section 2 - Accounts**2.1 Establishing Accounts**

Subject to Section 1.1, the Trustee shall open and maintain a Trust account for the Plan. Upon receipt of written instructions from the Employer, the Trustee also shall maintain such Participant Accounts as the Employer may direct. The Trustee may also, upon written instructions from the Employer or its Agent, open and maintain such other accounts as may be appropriate to aid in the administration of the Plan. The Employer shall give written instructions to the Trustee specifying the Participants' Accounts to which contributions and forfeitures are to be credited, and the amounts of such contributions and forfeitures which are to be credited.

2.2 Charges Against Accounts

Upon receipt of written instructions from the Employer, the Trustee shall charge:

- a. the appropriate Account of an Employer or Participant for any withdrawals, distributions or the disposition of an Forfeiture made according to the terms of the Plan; and
- b. any reasonable fees, taxes and expenses as determined by the Employer, which may be charged against the Trust Fund.

Section 3 – Investment of Trust Assets**3.1 Investment of Trust Assets**

The Trustee shall not have any discretion, and is specifically prohibited from having or exercising any discretion, with respect to the investment of Trust assets. Except as provided in Section 3.3 (Participant Directed Investments) hereof, the Employer or its Agent shall be responsible for giving the Trustee written directions as to the investment and disposition of the Trust assets. Assets of the Trust may be invested in securities obtainable through an investment or brokerage firm (or any stockbroker selected by the Employer) either "over the counter" or on a nationally recognized exchange, life insurance, endowment, Annuity Contracts, mutual funds, bonds, debentures, notes, mortgages or other securities or other real or personal property which is administratively acceptable to the Trustee. A decision by the Trustee that an investment is not administratively acceptable shall not constitute a determination by the Trustee of the prudence or advisability of the investment nor shall it constitute investment advice on the part of the Trustee.

3.2 Written Instruction

The term "Employer", as used throughout this Trust Agreement includes any duly authorized designee of the Employer, such as a Plan Administrator, Named Fiduciary or Investment Manager or any individual having apparent authority as such. If written instructions are not received by the Trustee, or if such instructions are received but are deemed by the Trustee to be unclear, upon notice to the Employer, the Trustee may elect to hold all or part of any such contribution in cash, without liability for rising security prices or distributions made, pending receipt by it from the Employer of written instructions or other clarification.

If any contributions received by the Trustee from the Employer are less than any minimum which a directed investment requires, the Trustee may hold the specified portion of such contributions in cash, without interest, until such time as the proper amount has been contributed so that the directed investment may be made. The Trustee shall receive all directions or instructions in writing.

3.3 Participant Directed Investments

When so instructed by the Employer, the Trustee shall invest all or any portion of the Participant's Account as directed by such Participant. Such directed investment shall be accounted for separately for each Participant. The Employer shall have the duty to select and monitor all investment options made available to Participants under the Plan. The Employer shall ensure that all Participants who are entitled to direct the investment of assets in their Accounts previously received or receive a copy of all material describing such investment options that is required by law. Delivery of investment directions by the Employer in accordance with the instructions of a Participant or by the Participant directly to the Trustee shall entitle the Trustee to assume that the Participant has received all such descriptive material. Each Participant who directs the investment of his or her Accounts shall be solely and absolutely responsible for the investment or reinvestment of any such directed Plan investment held on his or her behalf in the Trust, and, except as otherwise provided herein, the Trustee shall not question any such direction, review any securities or other such assets, or make suggestions with respect to the investment, reinvestment, retention or

disposition of any such assets. The Trustee shall not have any liability or responsibility for diversification of such assets or for any loss to or depreciation of such assets because of the purchase, retention or sale of assets in accordance with a Participant's direction. The Participant shall have sole responsibility for the overall diversification, liquidity and prudence of the investments of his or her Account. If a Participant fails to direct the investments of his or her Account, the Trustee shall invest the Participant's Account in accordance with the written directions of the Employer.

3.4 Employer Directed Investments

The Employer or its Agent, by written direction to the Trustee, is authorized to designate all or a portion of the Trust assets of which the Employer will direct investments, and the Trustee may segregate such assets into one or more separate accounts or administer the Trust as one Account. In the event the Employer shall employ or appoint an Investment Manager to direct the Trustee with respect to a portion of the Trust, the Employer will notify the Trustee in writing of the appointment of the Investment Manager, including his or her name and address. Whether or not the Trust is segregated into separate accounts, the Trustee shall invest such portion of the Trust as directed by the Employer or its duly appointed Investment Manager. The Trustee shall have no duty to question any action or direction of the Employer or Investment Manager or any failure of the Employer or Investment Manager to give directions, or to review the securities or other investments which are held pursuant to the Employer's or Investment Manager's direction or to make suggestions to the Employer or Investment Manager as to the investment, reinvestment, retention or disposition of any such assets.

The Trustee shall not have any liability or responsibility for diversification of such assets, or for any loss to or depreciation of such assets because of the purchase, retention or sale of assets in accordance with the Employer's or Investment Manager's direction. The Employer shall have responsibility for the overall diversification of the Trust.

3.5 Trustee's Liability with Respect to Employer or Participant Directed Accounts

The Trustee shall not be liable for, and the Employer will indemnify and hold harmless the Trustee (including its employees, affiliates, representatives and agents) from and against, any liability or expense (including counsel fees) because of: (a) any investment action taken or omitted by the Trustee in accordance with any direction of the Employer, Agent, Investment Manager or a Participant, or (b) any investment inaction in the absence of investment directions or clarification of investment directions from the Employer, Agent, Investment Manager or a Participant.

3.6 Investment Procedures

Notwithstanding any other provision of this Trust Agreement to the contrary, the Trustee may establish such reasonable rules and regulations, applied on a uniform basis to all Employers, Participants, or Agents (whichever is applicable) with respect to the requirements for, and the form and manner of, effecting transactions with respect to Participant directed investments as the Trustee shall determine to be consistent with the purposes of the Plan. Any such rules and regulations shall be binding upon all persons interested in the Trust.

3.7 Knowledge of Trustee

Although it is understood that when the Trustee is subject to the direction of the Employer, Participant, or Agent, the Trustee will perform certain ministerial duties with respect to the portion of the Trust subject to such direction, such duties do not involve the exercise of any discretionary authority to manage or control Trust assets. Such ministerial duties will be performed in the normal course of business by employees of the Trustee, its affiliates or agents. It is agreed that the Trustee is not undertaking any duty or obligation, express or implied, to review, and will not be deemed to have any knowledge or responsibility with respect to any transaction involving the investment of the Trust as a result of the performance of these ministerial duties. Therefore, in the event that the Employer, Participant, or Agent engages in any transaction which results in a claim against the Trustee, and knowledge of the Trustee is a prerequisite to imposing a duty upon or determining liability of the Trustee under: (i) the Plan, (ii) this Trust Agreement, or (iii) any law regulating the conduct of trustees with respect to the investment of trust assets, then the Trustee's receipt and processing of investment orders and other documents relating to the Trust assets shall be considered the performance of purely ministerial duties and shall not constitute knowledge on the part of the Trustee. For the purpose of this section, Trustee shall include its employees, agents and affiliates.

Section 4 – Duties of the Trustee

4.1 Duties of the Trustee

The Plan Administrator operates and administers the Plan. The Trustee is not responsible for any aspect of the Plan's operation or administration. A Named Fiduciary may appoint an Investment Manager to manage, including the power to acquire and dispose of, any asset of the Plan. The Trustee is not responsible for any aspect of an Investment Manager's advice, control or management. The Trustee is not required to look into any action taken by the Employer, the Plan Administrator, the Named Fiduciary, a Participant, or an Investment Manager, and will be fully protected in taking, permitting, or omitting any action on the basis of their instructions or direction unless such direction is, in the Trustee's opinion, contrary to the terms of the Plan, the Code or ERISA. Any instructions, notice, or direction by the Employer, the Plan Administrator, the Named Fiduciary, a Participant, or an Investment Manager, given in accordance with the provisions of the Plan shall be given or made as described in this Trust Agreement; any attempted instruction, direction, or notice made in any other format shall be void and of no effect and the Trustee shall not act on such. The Employer will indemnify the Trustee for any claims and costs the Trustee may incur in acting according to the trust provisions or upon instruction, direction, or notice from the Employer, the Plan Administrator, the Named Fiduciary, a Participant, or an Investment Manager.

In the event the Trustee becomes aware of material non-public information, the Trustee reserves the right to inquire about the Named Fiduciary's knowledge and consideration of such information with respect to the directions it received. The Trustee reserves the right to contact the Employer directly if written confirmation to its inquiry is not received from the Named Fiduciary within a reasonable period of time.

4.2 Directed Powers of the Trustee

The Trustee shall have the following powers with respect to the Trust Fund as appropriate under this Trust Agreement and subject to direction or instruction by the Plan Administrator, Named Fiduciary, Investment Manager, or Participant, as appropriate under the Plan. In no event shall the Trustee be required to review such directions or instructions, except as set forth in Section 4.1, and the Employer shall indemnify and protect the Trustee from any claims and costs resulting from following such directions. The Trustee shall have the power:

- a) To make, execute, acknowledge and deliver any and all documents of transfer and conveyance and other instruments that may be necessary or appropriate to execute the Trustee's duties;
- b) To register any investment held in the Trust in the name of the Trustee or in the name of a nominee, and to hold any investment in bearer form, but the books and records of the Trustee shall at all times show that all such investments are part of the Trust;
- c) To employ suitable agents, brokers, broker/dealers, accountants, sub-trustees, ancillary trustees, actuaries, outside investment financial consultants, custodians, counsels (who may also be agents and/or counsel for the Employer), or other persons as needed to carry out its Trustee duties, to pay their reasonable expenses and compensation, and to be fully reimbursed by the Employer pursuant to section 4.7;
- d) To consult with legal counsel, including the Employer's counsel, with respect to the meaning or construction of the Trustee's obligations or duties under the Plan and Trust, or with respect to any action or proceeding or any question of law. The Trustee shall be fully protected with respect to any action it takes in good faith pursuant to the advice of counsel;
- e) To exercise, assign or otherwise dispose of all rights, privileges, options and elections contained in any life insurance, endowment or annuity contract held by the Trustee;
- f) To hold part or all of the Trust Fund uninvested or, pursuant to the directions of the Employer, Participant, or Agent (whichever is applicable) to place the same in a savings account with a bank approved by the Trustee or in a money market mutual fund;
- g) Pursuant to the Employer's, Participant's or Agent's directions (whichever is applicable), to write covered listed call options against existing positions and to liquidate or close out such option contracts and the purchase of put options on existing long positions (the same securities cannot be used to simultaneously cover more than one position), to exercise conversion privileges or rights to subscribe for additional securities and to make payments therefore;
- h) Pursuant to the Employer's, Participant's or Agent's directions (whichever is applicable), consent to or participate in dissolutions, reorganizations, consolidations, mergers, sales, leases, mortgages, transfers or other changes affecting securities held by the Trustee;
- i) To leave any securities or cash for safekeeping or on deposit, with or without interest, with such banks, investment executives and other custodians as the Employer, Participant or Agent (whichever is applicable) may select, and to hold any securities in bearer form or in the name of banks, investment executives and other custodians or in the name of the Trustee without qualification or description or in the name of any nominee; and
- j) To invest contributions for Participants through the facilities of an investment firm or equivalent facilities as directed by the Employer, Participant or Agent (whichever is applicable). The investment firm is designated by the Employer, Participant or Agent (whichever is applicable) with authority to provide the Trustee with instructions, via confirmations or otherwise, implementing their directions, either directly or through their Employer, to the investment firm to purchase or sell securities in such account. The Employer, agent, or Participant (whichever is applicable) shall approve beforehand all such orders and direct the investment firm either directly or through their Employer, to implement their instructions. The Trustee shall honor trades within such account(s) without obligation to verify prior authorizations of such trades. The investment firm shall receive advices of available cash in such account (s) and shall forward confirmation of purchases and sales to the Trustee and Employer, Participant, or agent (whichever is applicable). Selling short and executing purchases in an amount greater than available cash are prohibited transactions.
- k) To assume, until advised to the contrary, that the trust is qualified under Code Section 401(a);
- l) To require from the Employer, the Plan Administrator, or their authorized representatives written representations and warranties that the Plan maintains and follows established written procedures for identifying prohibited transactions and seeking applicable exemptive relief.
- m) To require written representations and warranties from the Named Fiduciary, Investment Manager or their authorized representatives that no direction provided by the Named Fiduciary, Investment Manager, or their authorized representatives will result in a non-exempt prohibited transaction under the Code or ERISA.

Each and all of the foregoing powers may be exercised without a court order or approval. No one dealing with the Trustee need inquire concerning the validity or propriety of anything that is done by the Trustee or need to see the application of any money paid or property transferred to or upon the order of the Trustee.

4.3 General Powers

The Trustee shall have all of the powers necessary to do all acts and exercise all such rights and privileges, whether or not expressly authorized herein, which it may deem necessary or proper for the protection of the Trust and to accomplish any action provided for in this Trust Agreement. Any surviving spouse or Beneficiary shall be bound by the terms of this Trust Agreement regarding investments and administration of their interest.

4.4 Valuation of Trust

The Trust shall be valued by the Trustee at current fair market value as of the last day of the Plan year and, at the discretion of the Trustee, may be valued more frequently. The Trustee may adopt such methods of valuation as it deems advisable taking into consideration, among other things, investment earnings and losses, expenses charged, payments made and changes in value of the assets held in the Trust. The valuation of the Trust at fair market value includes, but is not limited to, benefit statements, fair market value statements, or any statements showing the fair market value of the investments that are issued by investment and brokerage firms (or any stockbroker selected by the Employer) and sent directly to a Participant or to the Employer. Any report that the Trustee files with the Employer is open to inspection by a Participant for a period of sixty (60) days following the date it is filed. At the end of the sixty day period, the Trustee is released and discharged as to any matters set forth in the report, except with respect to any act or omissions by the Trustee for which a Participant, the Plan Administrator, the Named Fiduciary or the Employer has filed a written objection within the sixty day period.

4.5 Trust Records

The Trustee shall keep records required to be maintained hereunder with respect to the Trust.

The Trustee agrees to treat as confidential all records and other information related to the Trust. The Trustee shall not disclose such records and other information to parties other than the Employer, except to the extent required by law, or as permitted by the Employer.

4.6 Distribution

At the direction of the Employer or its Agent, the Trustee shall mail or arrange for mailing distributions from the Trust to the Employer for the benefit of the Participants and, to the extent agreed to by the Trustee, shall make distributions directly to the Participants. The Trustee shall not be liable or responsible for any errors made by the Employer with respect to distributions. The Trustee shall be entitled to rely conclusively upon the Employer's or Agent's directions. Notwithstanding any other provision of the Trust Agreement, the Trustee may condition its delivery, transfer or distribution of any Trust assets upon the Trustee's receiving satisfactory assurances that the approval of appropriate governmental agencies or other authorities has been secured and that all notice and other procedures required by applicable law have been satisfied.

4.7 Trustee's Fees

The Trustee's fees for performing its duties hereunder shall be such reasonable amounts as shall be established by it from time to time. The Trustee shall furnish to the Employer its current schedule of fees and give written notice to the Employer whenever its fees are changed or revised. Such fees, any taxes of any kind whatsoever which may be levied or assessed upon the Trust, and any expenses incurred by the Trustee in the performance of its duties, including, but not limited to, fees for legal services rendered to the Trustee, or fees charged to the Trustee by an independent appraiser hired by the Trustee to value assets of the Trust at fair market value pursuant to section 4.4 shall be paid by the Employer, unless the Employer directs the Trustee to deduct such fees, taxes and expenses from the Trust Fund pursuant to Section 2.2(b) above.

In the event the Employer shall at any time fail to pay the Trustee's fees, taxes, and expenses within a reasonable time after demand for such payment has been made by the Trustee, the Trustee will charge the Employer's Trust Fund such fees, taxes and expenses and may liquidate such assets of the Trust Fund for such purposes as it shall, in its sole discretion, determine. The custodian will collect such fees, taxes and expenses as directed by the Trustee. Notwithstanding Section 2.2(b) above, all payments under this Section and the liquidation of assets to obtain funds may be made without the approval or direction of the Employer or Agent. If the Trust Fund is not sufficient to satisfy these fees, taxes and expenses, then the Trustee will charge the Employer for such unpaid fees, taxes and expenses.

4.8 Duties not Assigned

The duties of the Trustee with respect to the Trust are limited to those assumed by the Trustee under the terms of this Trust Agreement. The Trustee shall not be responsible for voting proxies, receiving or mailing proxy materials (which shall be mailed directly to the beneficial owners of the proxies by the issuers of the proxies or their agents), filing reports, returns or disclosures with any government agency except as may otherwise be required by its duties as Trustee under applicable law or expressly agreed to in writing by the Trustee. Proxies or proxy materials that are received by the Trustee will be destroyed. All litigation materials will be forwarded to the Employer, Participants, or Agent as appropriate.

4.9 Standards for the Trustee's Powers

Notwithstanding any other provision of this Trust Agreement, the Trustee shall discharge its duties hereunder solely in the interest of the Participants and for the exclusive purpose of providing benefits to the Participants and defraying reasonable expenses of administering the Trust, with the skill, care, prudence and diligence under the circumstances then prevailing that a prudent person acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of a like character and with like aims. The Trustee shall perform its duties in accordance with this Trust Agreement. The Trustee shall not be responsible in any way for any action or omission of the Employer with respect to the performance of its duties and obligations set forth in this Trust Agreement and in the Plan.

The Trustee may rely upon such information, direction, action or inaction of the Employer, Participants or Agent as being proper under the Plan or the Trust Agreement and is not required to inquire into the propriety of any such information, direction, action, or inaction. The Trustee shall not be responsible for any action or omission of any of its agents or with respect to reliance upon advice of its counsel (whether or not such counsel is also counsel to the Employer), provided the Trustee relied in good faith upon the action of such agent or the advice of such counsel.

Section 5 – Duties of the Employer**5.1 Duties of the Employer**

It is understood that the Employer or its Agent shall be responsible for the performance of the following functions with respect to the Trust:

- a) Transmitting contributions made by the Employer or on behalf of each Participant in accordance with the instructions of each Participant to the Trustee at such times and in such manner as is mutually agreed between the Employer and the Trustee and as required by applicable federal and state laws and regulations.
- b) Providing to the Trustee, on a timely basis, a copy of the Plan document including all amendments and restatements. All such documents shall have been duly and timely adopted at the time of their delivery to the Trustee.
- c) Determining that the contributions made by or on behalf of each Participant are in accordance with any applicable federal and state laws and regulations including but not limited to those governing these calculations, limitations, the manner and timing or withholdings and the timing of remittance to the Trustee.
- d) Assuring that the Plan maintains qualified status under all applicable Sections of the Code.
- e) The Employer is responsible for determining if the Plan will comply with ERISA section 404(c). If the aforementioned section applies, the Employer is responsible for assuring that the Plan complies with ERISA section 404(c) and any regulations issued thereunder.
- f) The Employer is responsible for maintaining the adequacy of the Trust Fund.
- g) Notifying the Trustee if the Plan will be terminated and the effective Plan termination date.

5.2 Bonding

The Employer agrees to obtain and maintain, in an amount sufficient to meet applicable federal regulations, a fiduciary bond and to include as those covered by such bond the employees of the Employer, the Plan Administrator, and the Named Fiduciary and the Trustee, including any of the Trustee's employees, officers and agents, as required by law to be so covered. The cost of any such bond shall be paid by the Employer.

5.3 Information and Data to be Furnished to the Trustee

The Employer or its Agent shall furnish the Trustee with such information and data relevant to the Plan as is necessary for the Trustee to properly perform its duties assumed hereunder, including, but not limited to, a copy of the Plan's qualification letter or opinion letter from the Internal Revenue Service and Plan promissory notes.

5.4 Employer's Representations and Warranties.

The Employer represents and warrants that:

- a) The Named Fiduciary shall timely provide the Trustee with a copy of any SEC 8-K filing and shall notify the Trustee of any bankruptcy filings, formal civil or criminal charges filed against the Employer or directors by federal or state regulators.
- b) There are no existing 8-K filings, bankruptcy filings, or legal actions known to the Employer, Named Fiduciary or Investment Manager other than those disclosed to the Trustee and that no direction provided by the Employer, Plan Administrator, Named Fiduciary or Investment Manager will result in a non-exempt prohibited transaction under the Code or ERISA.
- c) The Plan Administrator and Named Fiduciary will maintain and follow established written procedures for identifying prohibited transactions and seeking applicable exemptive relief.
- d) There are no plan documents or instruments that establish limits on the investments in which the plan may invest that have not been provided to the Trustee and that it or the Named Fiduciary will provide copies to the Trustee within 15 days of any changes to the Plan's documents that establish limits on plan investments.
- e) It will not object if the Trustee discloses material non-public information to the Employer or Named Fiduciary.

5.5 Limitation of Duties

Neither the Trustee nor any of its officers, directors, partners, affiliates or agents shall have any duties or obligations with respect to this Trust Agreement, except those expressly set forth herein and in the Plan.

Section 6 – Termination of Trust**6.1 Resignation or Removal of Trustee**

The Trustee may resign at any time upon thirty (30) days prior written notice to the Employer or may be removed by the Employer at any time upon thirty days prior written notice to the Trustee. Upon resignation, or removal by the Employer or if the Trustee is unable to fulfill its duties under this Trust Agreement for any reason, the Employer shall appoint a successor trustee. Upon receipt by the Trustee of written acceptance of such appointment by the successor trustee, the Trustee shall transfer to the successor the assets of the Trust and all records (or copies) pertaining thereto. The Trustee is authorized, however, to reserve such sum of money or property as it may deem advisable for payment of all fees, compensation, costs and expenses, or for payment of any liabilities constituting a charge on or against the assets of the Trust or on or against the Trustee, with any balance of such reserve remaining after payment of all such items to be paid over to the successor trustee. Upon the assignment and transfer of the assets of the Trust, and obtaining a receipt thereof from the successor trustee, the Trustee shall be released and discharged from any and all claims, demands, duties and obligations arising out of the Trust and its management thereof, excepting claims based only upon the Trustee's willful misconduct or gross negligence. If on the date upon which the Trustee's

resignation or removal is effective, the Employer has not appointed a successor trustee which has accepted such appointment, the Trustee shall appoint the Employer as successor trustee and shall deem automatic acceptance of such appointment.

6.2 Termination of the Trust

The Trust shall continue with respect to the Employer so long as the Plan is in full force and effect. If the Plan ceases to be in full force and effect, this Trust shall terminate and Trust assets shall be distributed according to the terms of the Plan.

Section 7 – Miscellaneous

7.1 Exclusive Purpose

This Trust has been established for the exclusive benefit of the Plan's Participants.

Except as provided herein, it shall be impossible at any time prior to the satisfaction of all liabilities to the Participants for any part of the principal or income of the Trust, other than such part as is required to pay taxes, administrative expenses or refund contributions as provided herein, to be paid or diverted to the Employer or to be used for any purpose whatsoever other than for the exclusive benefit of the Participants.

7.2 Indemnification

The Employer shall indemnify and hold harmless the Trustee (including its affiliates, employees, representatives and agents) from and against any liability, cost or other expense, including, but not limited to, the payment of attorney's fees which the Trustee may incur in connection with the Trust or the Plan unless such liability, cost or expense arises from the Trustee's own willful misconduct or gross negligence. The Trustee shall not be obligated or expected to commence or defend any legal action or proceeding in connection with the Trust unless agreed upon in writing by the Trustee and the Employer and unless the Trustee is fully indemnified for doing so to its satisfaction.

7.3 Construction

In any action or proceeding involving the Trust or the administration of the Trust, only the Trustee and the Employer shall be necessary parties. Unless otherwise ordered by the court entertaining jurisdiction thereof, no other person having or claiming to have an interest in the Trust or this Trust Agreement shall be entitled to any notice or service of process. Any final judgment entered in such action or proceeding shall be conclusive upon all persons claiming under this Trust Agreement.

7.4 Headings

Headings in this Trust Agreement are inserted solely for convenience of reference and shall neither constitute a part of this Trust Agreement, nor affect its meaning, construction or intent.

7.5 Severability

If any provision of this Trust Agreement is held invalid or unenforceable, such invalidity or unenforceability shall not affect any other provision, and this Trust Agreement shall be construed and enforced as if such provision had not been included.

7.6 Return of Contributions

Contributions are conditioned on initial qualification of the Plan under section 401(a) of the Code, and if the Plan and Trust do not qualify, the Trustee may return such contributions to the Employer upon the Employer's written direction due to a "mistake of fact" as described in section 403(c) of ERISA. Contributions made by the Employer by "mistake of fact" may revert and be paid to the Employer within one year after the payment of such mistake contributions. In making such a return of assets to the Employer, the Trustee may accept the Employer's written direction as its evidence that such payment complies with the Plan and section 403(c) of ERISA, and the Trustee need make no further investigation.

7.7 Voting

The Employer or its Agent shall direct the Trustee in writing how to vote any Trust assets for which the Trust has voting rights. Neither the Employer nor its Agent, however, may appoint the Trustee as its designee for purpose of this Section unless the Trustee agrees to such a designation in writing.

7.8 Nonalienation of Benefits

No rights or claims to any of the monies or other assets of the Trust shall be assignable, nor shall such rights or claims be subject to garnishment, attachment, execution or levy of any kind; and any attempt to transfer, assign or pledge the same, except as specifically permitted by law, shall not be recognized by the Trustee.

7.9 Amendments

The Employer and the Trustee may amend this Trust Agreement at any time by a written agreement between them; provided, however, that no such amendment shall make it possible for any part of the corpus or income of the Trust to be used or diverted to purposes other than the exclusive benefit of Participants and defraying reasonable expenses of administering the Plan and Trust.

7.10 Inspection of Plan Records by Employer

The Trustee agrees to permit the Employer or its Agent to inspect the records of the Trust maintained by the Trustee during regular business hours by giving reasonable written notice to the Trustee. The Trustee further agrees that it will provide the Employer or its Agent with information and records that the Employer may reasonably require.

7.11 Law Governing

This Agreement shall be administered, construed and enforced according to the laws of the state of the principal place of business of the Trustee to the extent not superseded by applicable federal law. All contributions to the Trustee shall be deemed to take place in the state in which the principal place of business of the Trustee is located.

The Employer agrees that all controversies between the Employer and Trustee and/or any of its officers, directors, or employees present or former concerning or arising from (i) any retirement account maintained with the Trustee by the Employer (ii) any transaction involving any Participant's account, whether or not such transaction occurred in such account or accounts; or (iii) the construction, performance or breach of this Agreement between us, whether such controversy arose prior, on, or subsequent to the date hereof, shall be determined by instituting a lawsuit in the state or federal courts situated in South Dakota.

7.12 Merger, Consolidation or Transfer

In the event of the merger, consolidation or transfer of any portion of the Trust to a trust fund held under any other plan, the Trustee shall dispose of all or part, as the case may be, of the Trust in accordance with the written directions of the Employer, subject to the right of the Trustee to reserve funds as provided in Section 6.1 hereof.

7.13 Trustee as Successor Trustee

If the Trustee is acting as a successor trustee with respect to the Trust, the Employer shall indemnify the Trustee against all liabilities with respect to the Trust arising prior to the appointment of the Trustee and its acceptance thereof.

7.14 Successor and Assigns

This Agreement shall be binding upon the successor and assigns of the parties hereto.

7.15 Notices

Any notice from the Trustee to the Employer or its Agent or from the Employer or its Agent to the Trustee provided for in the Plan or in this Trust Agreement shall be effective if sent by first class mail to their respective last address of record or other medium agreed upon by the Employer and the Trustee.

Section 8 – Execution

This Trust Agreement shall be executed in counterparts, each of which shall be deemed an original.

IN WITNESS WHEREOF, the undersigned have executed this Trust Agreement to be effective as of the _____ day of _____, _____.

3. Prepare annual IRS Form 1099-Rs to report distributions to participants.

Directed Trustee Services

The Employer agrees to appoint ETC as a non-discretionary, directed trustee ("Trustee") to act, either: (a) pursuant to the terms of the trust agreement in ETC's prototype plan or (b) as "successor trustee" under the terms of the trust agreement between the Employer and Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company (as applicable, the "Trust Agreement"). Subject to the termination provisions herein, termination of this Agreement by either the Employer or ETC will also operate as notice of removal or resignation of ETC as Trustee pursuant to the terms of the Trust Agreement.

Exclusions and Limitations

ETC does not provide the following services:

1. Investment advice or assistance with selection of Plan investment options.
2. Reviewing, signing, or filing of any government reports with the IRS, Department of Labor, or Securities and Exchange Commission, except for Form 2439 and Form 1099-R.
3. Monitoring of compensation or contribution limits.
4. Determining or enforcing payment of any contribution due under the Plan or inquiring into the accuracy of or monitoring the timing of any contribution to the Trust.
5. Reviewing the integrity and appropriateness of investment options available to participants under the Plan.
6. Ensuring the accuracy, appropriateness, or completeness of data supplied by the Plan Administrator, or its agents, to ETC.
7. Services not expressly agreed to in writing.
8. Voting proxies unless directed by the Plan Administrator and provided ETC, as Trustee, agrees.

PART IV – General Provisions

Float

ETC, as Trustee, may earn compensation in the form of short-term interest ("float") on things like uncashed distribution checks (from the date issued until the date cashed). ETC, as Trustee, may also earn "float" on contributions, loan payments, and other amounts awaiting investment. The "float" earns money market rates. "Float" is not directly credited to plans for which we provide services. Contributions and transfers are normally sent for investment on the day after they are received or as soon as possible afterwards, however, there are certain situations where the investment of these funds will take a longer period of time. Checks are normally mailed the day they are issued. The timing of when checks are cashed is beyond the control of ETC as Trustee.

Fees

The Schedule of Fees provided by ETC reflects the annual charges for the services outlined in this Agreement. ETC reserves the right to charge additional amounts for services requested by the Employer that are not covered by the Schedule of Fees.

ETC reserves the right to change fees and will provide thirty (30) day notice to the Employer upon doing so. ETC's fees are in effect according to the dates specified in the Schedule of Fees.

ETC will not be responsible for errors, added costs, or sanctions incurred due to inaccurate, inappropriate, incomplete, or untimely information provided by the Employer. If ETC receives incorrect, inappropriate, incomplete, or untimely information or documents from the Employer that requires the reprocessing of distributions, filings, or other reports, ETC reserves the right to charge the Employer its prevailing hourly rate in advance of the additional services rendered.

If the Employer terminates ETC's services prior to the end of the calendar year, the Employer agrees to pay the Plan fees through the end of the then current calendar year plus the applicable termination fee referenced in the Schedule of Fees, including those fees that are not or cannot be deducted directly from the account.

Brokerage Firm Fee Deduction

The brokerage firm you have selected may have an agreement in place with ETC (or with its agent) which assigns responsibility for the collection of fees to the brokerage firm. The Employer will review with their brokerage firm

representative the latest fee schedule, the amount of fees charged and how such fees will be collected.

The Employer will review with their brokerage firm representative the amount, method and timing of any fee deductions. ETC will provide applicable brokerage firms with the trustee fees due per participant. Fees are determined by ETC on a per-capita basis except for those fees specific to a participant request or event, such as distributions, terminations, loans, or other individual services as outlined in the Fee Disclosure. Your signature on this agreement is your authorization to have plan fees deducted as outlined above.

ETC will issue an invoice to the Employer for brokerage firms which do not have a fee agreement in place.

Non-payment of Fees

- In the event the Employer fails to pay certain Plan administrative or transaction based fees specified in the Schedule of Fees, and those fees are more than thirty (30) days in arrears ("Outstanding Fees"), the Employer hereby expressly authorizes the Trustee, in accordance with the Trust Agreement, to deduct such Outstanding Fees from participant accounts.
- Outstanding fees shall be debited from participant accounts on a per-capita basis except for those fees specific to a participant request or event, such as distributions, terminations, loans or other individual services as outlined in the Fee Disclosure.
- If ETC is unable to collect Outstanding Fees from participant accounts, the Employer agrees to, and shall, indemnify and hold ETC harmless from and against all liability, costs, claims, damages, losses, expenses (including, without limitation, attorney fees) which ETC may suffer, incur, or pay out as a result of ETC terminating its services to the Plan in accordance with the termination provisions herein.

Disputes-Arbitration

*General. In the event that there is any dispute between the Parties regarding:

- this Agreement;
- any Services;
- any rights, duties, or obligations explicitly or implicitly granted or arising under this Agreement;
- any transaction made under this Agreement; or
- any construction or application of this Agreement,

the Parties will try in good faith to first resolve all such disputes as described below.

The Parties agree that all discussions and communications during the dispute resolution process will be, and will remain, confidential to the fullest extent allowed by applicable law. The Parties agree to treat all such discussions and communications as compromise and settlement negotiations for the purposes of any rules of evidence.

*Negotiation. If the Parties cannot resolve a dispute in the ordinary course of business, the Party claiming a grievance against the other shall give the other Notice of that grievance in writing, stating the nature of the grievance and the relevant facts, including documentation, and referring to this Article. The other Party will then have 15 days to make a complete, written response in a Notice to the other. The Parties will meet to discuss the dispute. If practicable and mutually desirable, the Parties will meet in person. If the dispute remains unresolved for any reason after 60 calendar days following the mailing of the response, the Parties will then proceed to mediation.

*Mediation. The Parties will, as soon as commercially reasonable after the 60 day period referred to under Negotiation, above, initiate the mediation process and endeavor in good faith to settle their dispute by mediation. Unless the Parties agree to the contrary, the mediation will conform to the then current Mediation Rules for Commercial Financial Disputes of the American Arbitration Association or such similar organization as the Parties may agree. If the Parties cannot agree on a neutral mediator, one will be appointed by the American Arbitration Association in accordance with its mediation rules. Mediation will occur within 60 days of the initiation of the mediation process. The Parties will share equally in the fees and expenses of the mediator and the cost of the facilities used for the mediation, but will otherwise bear their respective costs incurred in connection with the mediation. The mediation shall be non-binding. If the dispute remains unresolved for any reason after the completion of the mediation process, the Parties will then proceed to arbitration.

***Arbitration.** If a dispute is to be resolved by arbitration, the arbitration proceeding will take place in Cleveland, Ohio. The arbitration will be governed by the Federal Arbitration Act.

There will be three arbitrators, each of whom will be selected, and the arbitration conducted, in accordance with the Commercial Arbitration Rules of the American Arbitration Association (AAA), except that the provisions of this Agreement will control over the AAA rules where the Agreement and the Rules differ or the Rules are silent.

The arbitrators must be attorneys (current members of the bar of the State of Ohio or retired from active practice within the past 5 years) who are familiar with, and have practiced in, the areas of law relevant to the arbitration.

The Parties will share equally in the fees and expenses of the arbitrators and the cost of the facilities used for the arbitration hearing. Each Party will bear all other costs and expenses that it incurs in connection with the arbitration.

Depositions will not be allowed, but information may be exchanged by other means.

The Parties agree to use their best efforts to ensure that the arbitrators are selected promptly and that the arbitration hearing is conducted no later than 3 months after the arbitrators are selected.

The arbitrators must decide the dispute in accordance with the substantive law which would govern the dispute had it been litigated in court. This requirement does not, however, mean that the award is reviewable by a court for errors of law or fact.

Following the arbitration hearing, the arbitrators will issue an award and a separate written decision that summarizes the reasoning behind the award and the legal basis for the award. The arbitrators may not award punitive damages and may not require one Party to pay another Party's costs, fees, attorneys' fees, or expenses. The award of the arbitrators will be binding on each Party. Judgment upon the award may be entered in any federal district court.

***Preliminary Injunctive Relief.** The dispute resolution procedures set forth above will be the sole and exclusive procedures for the resolution by the Parties of any disputes which arise out of or are related to this Agreement, except that a Party may seek preliminary or temporary injunctive relief from a court if, in the Party's sole judgment, such action is necessary to avoid irreparable harm or to preserve the status quo. If a Party seeks judicial injunctive relief as described in this paragraph, the Parties will continue to participate in good faith in the dispute resolution procedures described above. The Parties agree that no court which a Party petitions to grant the type of preliminary injunctive relief described in this paragraph may award damages or resolve the dispute. Venue for any judicial proceeding for preliminary or temporary injunctive relief will be in Cleveland, Ohio, unless the Parties agree to the contrary. Any objections or defenses based on lack of personal jurisdiction or venue are hereby expressly waived for the purposes of the injunctive relief described in this paragraph.

Law Governing

This Agreement shall be administered, construed and enforced according to the laws of the State of Ohio, except to the extent superseded by applicable federal law.

Termination of Services

Either Party may terminate this Agreement by giving the other Party written notice at least thirty (30) days in advance of the effective date of such termination. Unless agreed otherwise in writing, ETC will not provide compliance services, including but not limited to the preparation of Form 5500, following the effective date of the termination, if the Employer terminates this Agreement before the end of the Plan year or ETC terminates its services as a result of non-payment of Outstanding Fees. ETC will, however, prepare IRS Form 1099-R for distributions that occurred prior to the effective date of the termination.

Acknowledgement

The Employer acknowledges that: (i) it has relied upon its own legal and tax advisors regarding the Plan and this Agreement, (ii) as Plan Administrator, the Employer is fully and ultimately responsible for the operation, administration, and operational and form integrity of the Plan, and (iii) ETC assumes no responsibility for recordkeeping, compliance, or administrative work performed by another service provider prior to the effective date of this Agreement.

Indemnification

The Employer shall hereby indemnify and hold ETC and its current and former officers, agents, and employees harmless against and from any and all loss or damage incurred by ETC to the extent such loss or damage is caused by mistakes, omissions, delinquencies, or inaccuracies (including, but not limited to untimely or lack of notification to ETC of the hiring of common-law employees, if required pursuant to Part I, Item 13 hereof) of the Employer, its representatives, agents, or employees.

For the purpose of this indemnification, "loss or damage" includes any liability for principal, interest, costs, charges, sanctions, or attorney's fees (without limitation) and expenses incurred by ETC.

Part V -- Authorized Signatures

I have read, understand, and accept this Service Agreement for Tax-Qualified Retirement plans in its entirety. I further understand, accept, affirm, and certify that – if my Plan has been designated as an "Individual 401(k) Plan" in this Service Agreement – I, as the Employer, and Plan Administrator, am solely responsible for ensuring that my Plan does not, cannot, and shall not, at any time, cover any common-law employees. I shall immediately notify ETC, but no later than ten (10) calendar days from the date I hire any common-law employees (including partners who own less than 5% of the company). I understand, acknowledge, agree, and accept that, immediately upon my notification of such event, ETC will be required to terminate its services to my Individual 401(k) Plan.

I. Important Information

- Beneficiary designations are legal documents stating who is to receive the death benefits and how benefits are to be paid. Without this designation benefits will be paid to your surviving spouse, or if none, your estate.

At any time, the beneficiary information can be changed to reflect a new designation by completing a Beneficiary Designation form. Your beneficiary designation is effective only when filed with Equity Trust Company during your lifetime. The form may be sent by mail, fax or email (DTS@EquityInstitutional.com). Please retain a copy of this form for your records.

- Upon your death, your designated beneficiary may designate his or her own beneficiary to receive any remaining assets in the account.
- If your designated beneficiary is your spouse (designated either by name or relationship or both), your divorce, or annulment or other legal termination of your marriage will automatically revoke your beneficiary designation.
- Please consult with your tax and/or legal advisor on the enforceability of your beneficiary designation under your particular state laws.

II. Unacceptable Designations and Language

- Last Will and Testament.
- Animals named as beneficiaries.
- Use of the word "issue" because in it's legal sense includes all lineal descendants, regardless of how remote the relationship.
- Words like "or" "and/or" cannot not be used because it does not clearly explain how the assets should be distributed.
- Altered forms or items crossed out. The form must be clear and complete.

III. Sample Designations

MARGIN AGREEMENT

34. **Risk and Suitability:** When you purchase securities, you may pay for the securities in full or you may borrow part of the purchase price from Siebert. If you choose to borrow funds from Siebert, you will open a margin account with Siebert. The securities purchased are Siebert collateral for the loan to you. If the securities in your account decline in value, so does the value of the collateral supporting your loan, and, as a result, Siebert can take action, such as issue a margin call and/or sell securities or other assets in any of your accounts, in order to maintain the required equity in the account.

It is important that you fully understand the risks involved in trading securities on margin. Although Siebert may try to accommodate you, these risks include the following:

- You can lose more funds than you deposit in the margin account.
- A decline in the value of securities that are purchased on margin may require you to provide additional funds to
- Siebert to avoid the forced sale of those securities or other securities or assets in your account(s).
- Siebert can force the sale of securities or other assets in your account(s). If the equity in your account falls below Siebert maintenance margin requirements, Siebert can sell the securities or other assets in any of your accounts held at Siebert to cover the margin deficiency. You also will be responsible for any short fall in the account after such a sale.
- Siebert can sell your securities or other assets without contacting you. Some investors mistakenly believe that their broker must contact them for a margin call to be valid, and that their broker cannot liquidate securities or other assets in their accounts to meet the call unless their broker has contacted them first. This is not the case. Siebert may attempt to notify its customers of margin calls, but it is not required to do so. However, even if Siebert has contacted a customer and provided a specific date by which the customer can meet a margin call, Siebert can still take necessary steps to protect its financial interests, including immediately selling the securities without notice to the

customer.

- You are not entitled to choose which securities or other assets in your account(s) are liquidated or sold to meet a margin call. Because the securities are collateral for the margin loan, Siebert has the right to decide which securities to sell in order to protect its interests. Siebert will attempt to liquidate on a "Last-In-First-Out-Basis."
- Siebert can increase its "house" maintenance margin requirements at any time and is not required to provide you advance written notice. These changes in firm policy often take effect immediately and may result in the issuance of a maintenance margin call. Your failure to satisfy the call may cause Siebert to liquidate or sell securities in your account(s).
- You are not entitled to an extension of time on a margin call. While an extension of time to meet margin requirements may be available to customers under certain conditions, a customer does not have a right to the extension.

Your application for a margin account is subject to the approval of, and may be reject

35. **Pledge of Securities:** All money, securities and other property held, carried, or maintained for you by Siebert in your margin or short account may be pledged, repledged, hypothecated or rehypothecated, separately or together with the property of others, in an amount equal to the balance you owe to Siebert, or for a greater amount. Siebert may do so without retaining in its possession or under its control for delivery a like amount of securities or other property.
36. **Security for Indebtedness:** In your Customer Agreement with Siebert you grant a lien on all securities and other property held in any Siebert account in which you have an interest, now or in the future, for the discharge of all your debts and other obligations owing to Siebert. This lien also secures any debit balance in your margin or short account, and extends to securities and other property that may not be acceptable as margin collateral under Siebert rules or Federal Reserve Board regulations. Together with the property of others, in an amount equal to the balance you owe to Siebert, or for a greater amount. Siebert may do so without retaining in its possession or under its control for delivery a like amount of securities or other property.
37. **Margin Maintenance:** You agree to maintain at all times such margins as may be required by Muriel Siebert & Co., LLC., self-regulatory organizations (SRO), and/ or federal authorities. Siebert reserves the right at any time to demand the deposit of additional collateral for any debit balance or other obligation that you maintain in your account. Siebert may set higher initial and maintenance requirements at our sole discretion, typically for accounts holding a concentrated position or a position in a thinly traded or volatile issue. Current market conditions and your financial situation may also be taken into consideration in setting requirements.
38. **Margin Calls:** It is Siebert general policy to issue calls for the deposit of additional collateral whenever an account falls under requirements. If an account remains in a deficiency on the stated deadline of the call, it is Siebert general policy to liquidate sufficient securities to meet the terms of the call. These policies notwithstanding, Siebert reserves the right to

exercise its discretion, where permitted by regulation, in determining whether to issue a call and under what terms, and whether to liquidate securities at the specified deadline or at another time, with or without notice to you.

39. **Liquidations in Margin Accounts:** Because security prices can change quickly in volatile markets and there may be no opportunity to issue a margin call, Siebert must reserve the right in its sole discretion to close positions in your account and take whatever action it deems necessary for its own protection, without prior notice, demand, or call to you. Siebert may take such action in consideration of market conditions, such as a sudden decline in the price of a security, as well as other factors, and also in instances when a prior call for additional collateral (or similar notice) has been issued, it being understood that such prior notice does not constitute a waiver of Siebert right to close positions and cancel orders in your account without further notice of any kind to you.
40. **Short Sales:** You agree that when entering an order to sell a security 'short' you will designate the order as such. You understand and accept that any proceeds from short sales may not be released to you and do not earn interest. You agree that short sales are subject to certain regulatory rules and may not be executed under certain market conditions. Siebert cannot guarantee shares will be available to facilitate a short sale and we may charge a fee to borrow the shares for delivery to the buyer. By submitting a short sale order you agree to pay all charges for borrowing the shares. You agree that we may, at our discretion and without notice, "buy in" securities to cover any short security position in your account. We may take this action either on a regular, cash or next-day settlement basis. If you are unable to cover a short security position for any reason so that we can ultimately deliver the security back to the lender (to whom we are obligated), you agree to reimburse Siebert for any losses realized as a result of your failure to deliver the security in a timely manner.
41. **Truth in Lending Disclosure:** In accordance with Rule 10b-16 of the SEC Act of 1934 the following disclosure is set forth:
Interest Rates on Debit Balances:
The interest rate charged by Siebert on your debit balance is based on a base rate determined by Siebert, which is influenced by money market conditions, including the Prime Rate, Call Money, and Treasury Bills. The Siebert Base Rate is subject to change without notice, and is applied against your debit balance as determined by Siebert.
42. **Interest Charges:** Interest is charged to your account and is computed by adding the daily interest computations. Each daily interest computation is made by multiplying the net debit balance by the interest rate then in effect and dividing by 360. If the Siebert Base Rate changes during the month, or your debit balance fluctuates during the month, the rate displayed on your statement is the average interest rate. For periods when the Base Interest Rate is unchanged, but the debit balance fluctuates between the tiers, the rate displayed on your statement is the average interest rate.

The net debit balance on any given day is the sum of the settled debit balance in the margin account minus any free credit in the cash account. (Short account balances and segregated dividends are not included.)

The average net debit balance is the sum of all daily balances divided by the number of days on which there was a net debit balance. The average interest rate is computed by multiplying the total interest charge by 360 and dividing by the average net debit balance and by the number of days on which there was a net debit balance. If the method used to calculate debit

changes, Siebert will provide you with written notice at least thirty days in advance.

43. **Margin Requirements:** Margin requirements are set forth in Section 58, at the end of this document.

OPTION AGREEMENT

44. **Risk and Suitability:** You acknowledge that option trading is risky. In particular, you are aware that:
 - The seller of a covered call option may forfeit significant profits if the price of the underlying security increases.
 - The purchaser of an option may lose the total amount paid to acquire the option.
 - The seller of an uncovered option may sustain substantial, sometimes sudden loss, and the risk in selling an uncovered call option is unlimited.
 - You certify that you have weighed these risks against your financial situation and investment objectives, and have determined that you are able to sustain the losses that might arise from options trading. If any material change in your financial situation or your investment objectives should occur you agree to notify Siebert before you enter your next option order.
45. **Application Approval:** Your application is subject to Siebert review. You will be notified in writing of the type of option transactions, if any, for which your account has been approved.
46. **Option Disclosure Document:** Prior to or upon approval of your application, Siebert will send you a brochure entitled Characteristics and Risks of Standardized Options, published by the Options Clearing Corp. You agree to read this document and any supplements prior to placing any options order in your account.
47. **Applicable Rules and Regulations:** You agree that all option-related transactions in your account shall be governed by the rules, regulations, customs and practices of the exchange where executed, the Options Clearing Corporation (OCC), FINRA, and any other applicable regulatory agency or exchange.
48. **Position and Exercise Limits:** You agree, whether acting alone or in concert with others, to be bound by the position and exercise limits for option contracts as fixed from time to time by the appropriate regulatory authorities.
49. **Prior Agreements:** All option transactions in this account shall be subject to the terms and limitations of the Customer Agreement and Margin Agreement, as set forth above and as amended from time to time. In the event of any conflict between the other agreements and this Option Agreement, the latter shall control; and where there is no conflict each provision of each agreement shall apply.
50. **Requirements:** You agree to abide by Siebert requirements for options transactions, as well as the requirements set by federal and other regulatory bodies. Siebert's requirements are set forth in Section 61 at the end of this document. You agree that Siebert may make any deficiency arising from an option transaction immediately due and payable.
51. **Liquidations in Option Accounts:** As stated in Sections 11 and 38 above, you acknowledged and accepted Siebert right to close securities transactions and take whatever action in your account Siebert deems necessary for its own protection, without prior notice to you. Particular actions that Siebert may undertake in your option account include, but are not limited to: buying to close an option position that may be

short in your account, or selling a long option to close; hedging an option position through buying or selling short the underlying security, or through a spreading transaction; canceling open orders in your account; and risking any or all securities underlying options purchased for your account. Circumstances where Siebert may, but is not required to, undertake such action include: the sudden increase in the price of the underlying security of a short, uncovered option in your account; a transaction for which your account has not been approved; a transaction for which the equity in your account is, in Siebert sole judgment, insufficient; a transaction that violates Siebert maintenance minimums; your failure to meet a margin or collateral call; notice of your death.

Siebert failure to take action in one instance does not constitute a waiver of Siebert' right to take action in other instances.

52. **Restrictions on Orders:** Siebert reserves the right, for any reason and without prior notice to you, to restrict your account to certain types of option transactions, to refuse any order, or to cancel your option trading privileges altogether.
53. **Exchange Restrictions:** From time to time option exchanges may restrict trading or exercise privileges for certain classes of options. Although such restrictions could result in financial loss to you, you agree to hold Siebert, the Chicago Board Options Exchange (CBOE) and other organized exchanges, the OCC and FINRA harmless for any acts made in accordance with their constitutions, policies, customs, rules and regulations, and interpretations thereof.
54. **Exercise:** You agree to abide by Siebert deadline of 4:15 PM Eastern Time for submitting exercise notices. You further agree to meet in full any settlement obligation arising from exercise, including commissions and/ or fees.
55. **Exercise at Expiration:** Siebert is under no obligation to advise you of an upcoming expiration date for any option you may hold in your account, nor is Siebert required to take action at expiration with respect to your option positions. In some instances, however, your options may be exercised at expiration without your specific instruction to do so, in a manner determined by the Options Clearing Corp (OCC). An equity option that is in the money by \$.01 or more at expiration, or an index option that is \$.01 or more in the money at expiration, is subject to automatic exercise by the OCC.

These values are set by the OCC and may change from time to time, without notice, and you accept the responsibility to know these values and how they affect your option transactions. You also acknowledge and accept the following:

- In the event an equity option is automatically exercised in your account, Siebert reserves the right to close the resulting position once trading resumes. Any loss that might arise from such action is your sole responsibility and obligation to Siebert.
- If you are holding an option at expiration that meets or exceeds OCC minimums for automatic exercise, and you do not wish to exercise, then you must notify Siebert of your 'contrary intent' by 4:15 PM Eastern Time on the last trading day before expiration (expiration is generally the Saturday following the third Friday of the month).
- If you are holding an option at expiration that falls under OCC minimums for automatic exercise, and you nevertheless do wish to exercise, then you must notify Siebert of your 'contrary intent' by 4:15 PM Eastern Time on

the last trading day before expiration.

- You agree to hold Siebert harmless for any loss or damage that may result from your failure to instruct Siebert regarding the exercise of valuable options at expiration.
56. **Assignment:** All American-style short option positions are liable for assignment at any time. Siebert uses an automated random selection system to allocate an assignment among accounts holding a short position in the assigned option, including accounts that opened a short position on the day of assignment.
 57. **Special Statement for Writers of Uncovered Option:** There are special risks associated with uncovered option writing which expose the investor to potentially significant loss. This type of strategy may therefore not be suitable for all customers approved for options transactions.
 - a. The potential loss of uncovered call writing is unlimited. The writer of an uncovered call is in an extremely risky position, and may incur large losses if the value of the underlying instrument increases the above exercise price.
 - b. As with writing uncovered calls, the risk of writing uncovered put options is substantial. The writer of an uncovered put option bears a risk of loss if the value of the underlying instrument declines below the exercise price. Such loss could be substantial if there is a significant decline in the value of the underlying instrument.
 - c. Uncovered option writing is thus suitable only for the knowledgeable investor who understands the risks, has the financial capacity and willingness to incur potentially substantial losses, and has sufficient liquid assets to meet applicable margin requirements. In this regard, if the value of the underlying instrument moves against an uncovered writer's option position, Siebert may request significant additional margin payments. If an investor does not make such margin payments, Siebert may liquidate stock or option positions in the investor's account, with little or no prior notice, in accordance with the investor's margin agreement with Siebert.
 - d. For combination writing, where the investor writes both a put and a call on the same underlying instrument, the potential risk is unlimited.
 - e. If a secondary market in options were to become unavailable, investors could not engage in closing transactions, and an option writer would remain obligated until expiration or assignment.
 - f. The writer of an American-style option is subject to being assigned an exercise at any time after the account has written the option until the option expires. By contrast; the writer of a European-style option is subject to exercise assignment only during the exercise period.
 58. **UNRESOLVED ISSUES:** An inquiry or complaint, which is not resolved to your satisfaction, may be directed to the Siebert Compliance Department at 15 Exchange Place, Suite 800, Jersey City, NJ 07302 or 800-872-0444.
